# Keepsakes BY NICOLETA

All memories are suspended in time. Some bonds are forged over many, many years while others occur fleetingly, but are no less important.

You might say, I specialise in the preservation of time. When clients entrust beloved fragments of hair, breastmilk, fur or ashes to my care they are giving me part of their history, of moments lived and cherished.

To return their beautiful memory eternalised as a beautiful keepsake piece is truly an honour and privilege. It is this process of creation, of fusing past and present forever together in a unique and personalised piece of art that drives the passion behind Keepsakes by Nicoleta.
